## 5. Scoring Categories

There will be **two main scoring categories**:

- **Stroke Play Gross** – no handicap applied
- **Stroke Play Net** – based on calculated team handicap (see below)

**Prizes awarded for 1<sup>st</sup>, 2<sup>nd</sup>, and 3<sup>rd</sup> place** in both categories.

- **On Course Competitions:**

- **Longest Drive – hole 8**

- The ball must come to rest within the fairway to qualify.
    - The longest drive will be measured and recorded by designated markers.

- **Nearest to the Pin – hole 3**

- The ball must come to rest on the green to qualify.
    - The nearest shot to the pin will be measured and recorded.

- **Prize Eligibility:**

- Prizes in the main Stroke Play Gross category (1<sup>st</sup>-3<sup>rd</sup>) are exclusive. A player winning a prize in the main category cannot win a prize in the Stroke Play Net categories. In such cases, the prize will be awarded to the next eligible player in the Net category.

## 6. Team Handicap Calculation

The net score will be determined using this formula:

**Team Handicap = 35% of lower HCP + 15% of higher HCP**

**Example:**

- Player A: HCP 10
- Player B: HCP 16

**Calculation:**

- 35% of 10 = **3.5**
- 15% of 16 = **2.4**

**Team Handicap = 5.9** → rounded to **6**

This value will be **subtracted from the team's gross score** to determine the net result.

## 7. Tee Shot Requirements (Mandatory)

To ensure balanced team contribution, the following rule applies:

- The **higher-handicap player** must play **5 tee shots**
- The **lower-handicap player** must play **4 tee shots**

Failure to comply with this rule will result in **disqualification from the ranking**.

## 8. Order of Play

- After the team selects the preferred ball position, the player whose ball was chosen **must play first** for that stroke.
- This applies **until the ball reaches the green**.
- **Once on the green**, the **order of putting is free** and can be decided by the team.
- After selecting the best ball:
  - On the fairway, the ball must be placed within the width of a scorecard from the selected spot, no closer to the hole.
  - In the rough, the ball must be dropped within one club length from the selected spot, no closer to the hole.

## 9. Ties

- In the event of a tie for 1<sup>st</sup> place in Strokeplay Gross, a playoff will determine the winner. The format and hole(s) for the playoff will be announced by the tournament committee.
- For all other ties, the winner will be determined by a count-back system, starting from the 9<sup>th</sup> hole and moving backwards.
